

HANNspree

Micro PC - Macro Computing

GREAT REASONS TO BUY OUR MICRO-PC

Compact Design and Versatile

Whether it's in your house or office, the HANNspree Micro-PC is perfect for all your needs thanks to its space-saving design and versatile placement options.

Pocketable PC Experience

The HANNspree Micro PC is one of the smallest computer in the market. Just load it up with your digital content and slip it in your pocket to bring your HD video and personal data anywhere. A full PC experience in less than 10cm and 40 grams.

Specifically Designed for Your Needs

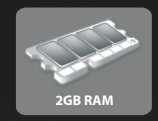

No longer the size or noise steal the scene for your computing needs. The HANNspree Micro-PC is easy to hide for a new experience that is out of sight and sound.

Lightweight

32GB HDD

2GB RAM

Quad Core

HANNspree

32GB EMMC MEMORY DRIVES THE ENTIRE SYSTEM FASTER WITHOUT LAG

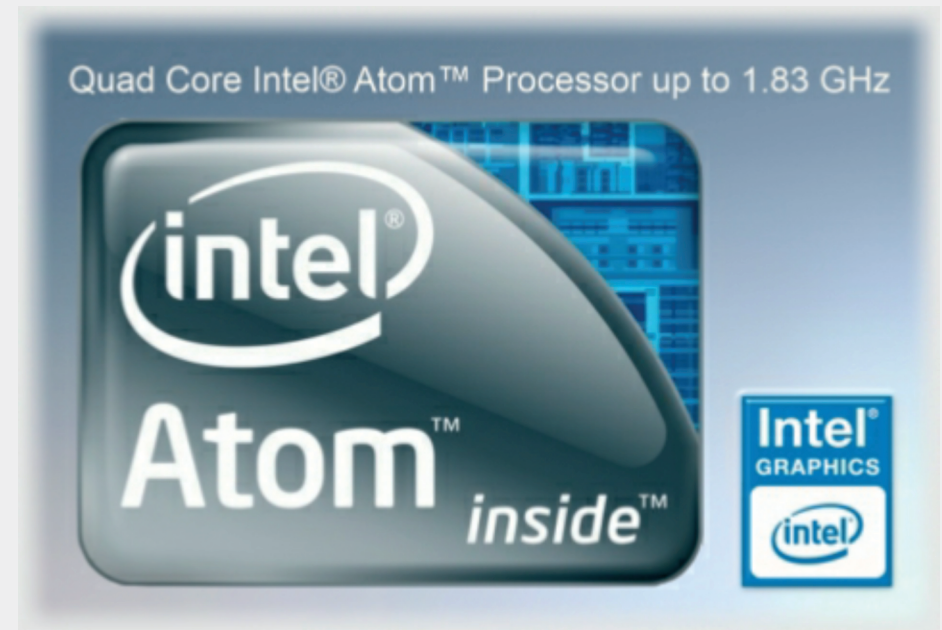

The HANNspree Micro-PC SNNPDI1B is equipped with a 32Gb of eMMC internal memory that allows you to store music, videos, application, all the data content you need and much, much more.

Thanks to this new storage format and an architecture that has been adapted to make optimum use of the Windows 8.1, the Micro-PC achieves superb performance in memory management, meaning faster and more fluid multi-tasking.

2GB DDR3

A fast and efficient 2Gb DDR3 RAM completes the package. DDR3 is a high speed and high bandwidth RAM.

Ultra Fast 32GB eMMC

QUAD CORE INTEL® ATOM™ PROCESSOR UP TO 1.83 GHZ

The Intel® Atom™ Z3735F is a power-efficient Quad Core CPU and is part of the Bay Trail-T platform. The Z3735F integrates four cores clocked to 1.33Ghz up to 1.83Ghz in Turbo mode, and provide 2Mb of cache. The CPU features Intel HD Graphics

The processor cores are based on the new Silvermont architecture. The increased utilization of the pipeline and many other improvements have increased the performance per clock by about 50 percent. Thanks to 4 CPU cores and the improved performance per clock, the Z3735F is significantly faster than previous Intel Atoms. Thanks to the specially optimized 22nm low-power design process with Tri-Gate transistors, performance and energy efficiency have been significantly improved compared to its predecessor.

HANNspree

GREAT CONNECTIVITY

Connecting to Wi-Fi networks

Built-in Hi-speed Wi-Fi module, will provide you with fast access to all things you like and will help you stay in touch with your friends, family and business partners using emails and social networks.

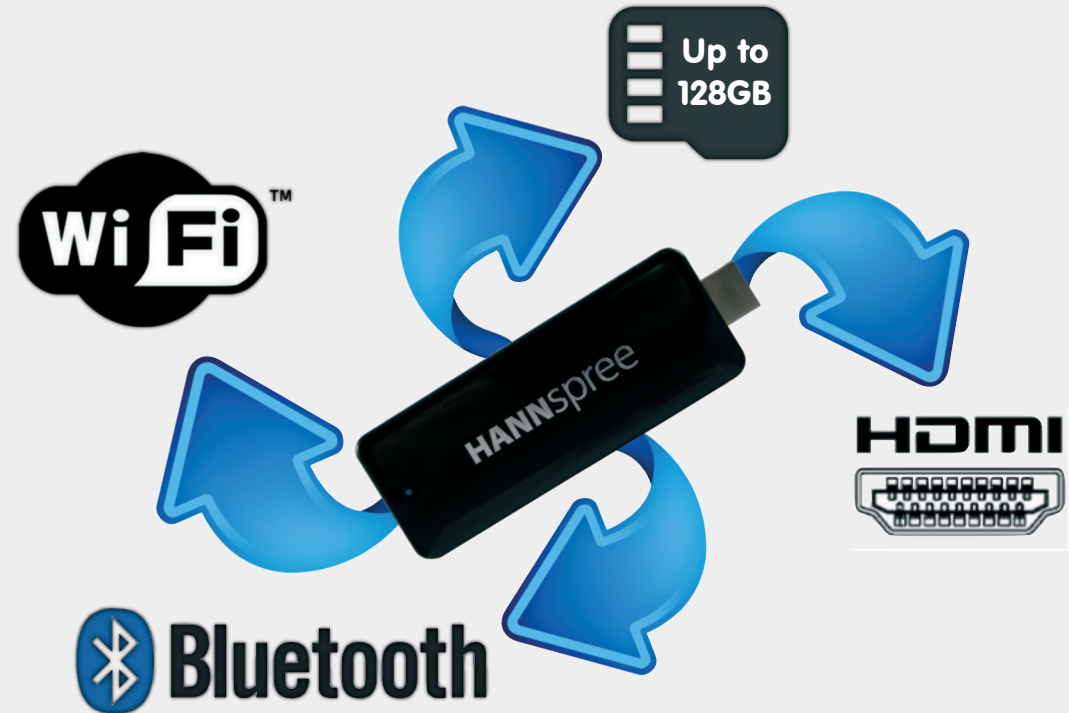

Bluetooth

Share content on your HANNspree Micro-PC with other devices quickly and easily. Activate the Bluetooth connections, synchronise the devices and job done! You can transfer any file in a matter of seconds – with no need for cables or Internet connections.

Micro SD expansion Slot

A Micro SD expansion slot* supports an additional 128GB of storage.

*Please note Micro SD card is not included with the HANNspree Micro-PC
